I said "Lord what if the pastors and others do not warn the congregation"? The Lord said, 'I also will choose their punishments and will bring their fears upon them because when I called no-one answered and when I spoke they did not hear but they did evil before my eyes and chose that in which I delighted not.'

"For if we sin wilfully having received the truth there remains a fearful judgement."

Dear pastor and all others who hear this message,
I was instructed by the Lord to send this to all the churches so please help me by spreading this truth.

WHERE DID COSMETICS AND JEWELRY ORIGINATE FROM.

(1) The book of Enoch says that it was the fallen angels who disobeyed the Lord by teaching humanity the secrets of heaven. They taught them metal from the earth for making jewelry and the use of antimony, an eye-powder to blacken the eyelids and enhance the lustre of the eyes. They also taught them about costly stones for jewelry and colouring tinctures for cosmetics. Women began to wear make-up and adorn themselves with jewels and this angered the Lord, so He served justice on them. The Lord is sending warnings to the church that justice will be served on every person who does not obey what He says.

MEN AND WOMEN MUST DRESS DECENTLY WHEN THEY COME TO WORSHIP GOD.

(2) God has been warning many Chrisitans in dreams and visions NOT to wear trousers, hair extensions, wigs, jewellery, makeup, painted nails nor dye their hair nor wear short skirts and skimpy blouses nor stilettos/high-heel shoes. Men must not wear earrings, long hair, dreadlocks, fake hair or go after the latest hairstyles. Tattoos must be repented of and forsaken. Leviticus 19:23, 28
All these are the **"things"** of the world. Paul and Peter warned women to dress simply and decently 1Tim 2:9 and 1Peter 3: 3-5

THESE CHRISTIAN TESTIMONIES WERE TAKEN FROM "SPIRITS REPORTS BLOG", WHICH HAS SINCE BEEN REMOVED BY "CERTAIN POWERS".

1. Jesus warned me at the beginning of my conversion about wearing cosmetics and jewelry and I walked in obedience, but over the years I started wearing earrings, necklaces, and makeup. One day I asked Jesus about it and He said.....

"Servant, the adornment of the world has no value to Me. What I want is a people who adorn themselves with My word. The spiritual

adornments are love, obedience, purity and the fruits of the Spirit. The church which is adorned with My word shines as the light. Every word that the church covers is as if adorned with heavenly gems. As Israel was charged to adorn itself with sanctification and not with idolatry, My church is called to adorn itself with My glory. My presence will make my people shine like stars. No bride with the ornaments of satan will enter My kingdom. The adornments of the earth do not belong to Me. I do not want a people who have the image of the world or follow the customs of Egypt and imitate the people of Babylon."

2. I continued walking in hell. Then I saw a woman at the church wearing perfume. And out of her body came a smoldering black smoke that entered into the nostrils of the people. I saw the demon of seduction with a glass in his hand and when he opened the bottle an infernal fragrance came out from inside and entered my nose. I was hypnotized by that fragrance that came out in the form of black smoke. Hell is full of perfumes of seduction.

3. Women who painted their fingernails and hands had their fingers cut by an electric saw. They screamed in pain and despair. Women who wore makeup, the monsters threw acid that deformed their faces. The ones that pencilled the eyebrows and painted the eyes, the monsters plucked out their eyes, only holes could be seen. Other monsters took the woman's lips with a knife and cut them. Women who painted their hair were bald. The monsters ripped off all the hairy scalps of these women. I realized that the monsters were demons and I knew I had died and was in hell.

4. Other women are in hell because they painted their nails. The demons cut off the fingers of these sisters. And the ones that painted the hair, the demons plucked the scalp and left the sisters bald. Those who wore lipsticks had their lips drawn from their mouths, becoming only the skeleton. Those who wore earrings had their ears cut off. I only saw two holes instead. Those who wore make-up had their faces melted with

fire. Those wearing necklaces had their necks serrated. **From ÁLVARO HERNANDEZ**

5. I saw another group of ladies with hair attachments, weaves, human hair, and braids. Their hairs were burning and bursting into flames of fire! The weaves were burning continuously without turning into ashes. The ladies were screaming. When I saw them being burnt I could feel the heat on my own head. So I also cried bitterly and I asked, "Why? Why are these hairs burning? This is just a hair!" Then I saw 1 Timothy 2:9 "In like manner also, that women adorn themselves in modest apparel, with modesty and sobriety; not with braided hair, or gold, or pearls, or costly array". After seeing this scripture my eyes captured "not with braided hair". It doesn't glorify God. I saw another female group who were also burning, they were in trousers, mini-skirts, mini dresses, tumbo-cuts, bare-back, and those in sleeveless dresses were all in the same circle burning. Their trousers were bursting into flames. Those ladies were burning from their waists downwards. If your top is tumbo-cuts, you burn from that revealing level upwards. The same with those in minis. They tried to pull off their clothes to stop the fire but they couldn't remove them. Physically any material we set on fire burn into ashes but those ones weren't turning into ashes! They keep on burning endlessly. The demons were happy at the scene and greeting each other with "high five." I knew I was being shown these because I was also going into the fire. So I kept on crying to Jesus, begging Him to take me out of that place.

6. This second time, I saw those with tattoos on their bodies, and the demons were removing them with screwdrivers which is very painful. Wherever one has a tattoo on their bodies they bruised that area painfully with metal tools. Their flesh will be falling off. Leviticus 19:28 "Ye shall not make any cuttings in your flesh for the dead, nor print any marks upon you: I am the LORD."

(3) TO THOSE WHO STAND IN MY PULPITS

This is the most profound word I have released in ten years. It is with fear and trembling I release this. youtu.be/5fZZTuRBJ9U?si=zjXQFX7tWLPwpwA4 This letter has been paraphrased but the video is in full.

To those who stand in my pulpits I see you from afar. Where you stand to represent me is holy, to send my word forth is holy. I watch you as you take position in my holy church and open your mouth as my vessel. You come with words with unprepared hearts, unprepared worship from an unprepared prayer closet, because I am not the Lord of your life.

Your lust for position, status, recognition, praise, authority, possessions, self, eloquent words, beauty, money, decorated homes, property, to be showcased before men, your lust of your eyes, for favoritism which overshadows my Holy Spirit, for pictures which you call pornography - is a stench to my nostrils. I search for the aroma of the holy ones who stand to send forth teaching to my people – I find few who lust only for me.

Do you think you can fool the Lord God Almighty? I am sifting and shaking the very foundations of the earth and only the true will remain. Woe to the one who screams to me, "Lord, Lord, did I not prophesy in your name and in your name cast out demons and perform miracles?" but will be told, "I never knew you."

Do you think you deserve more than my beloved son? You place the yoke of teaching for material possessions as a sign of spiritual favor. My holy son had no place for his head. He saw the hoofs and legs of horses as he slept in a horse stable. Wrapped in cloth his bed was a feed manger for the horses. He traveled and experienced the elements of this world without shelter. He died on a cut tree and was buried in a borrowed tomb. Do you think you deserve more than my own? Do you think I did not love and provide for my own? His life was not of the physical but of my spirit. He lived among you, with ownership to my kingdom, without earthly possessions.

My favor is not in man's possessions. My favor is evident within a man's heart that gives all to serve me. The adversary has fooled you to believe my hand is upon those with possessions. Shame is upon you for claiming knowledge of me while teaching this message, for living luxuriously while claiming to be my servant. Do you think you deserve more than my son?

IF you repent before me now I will not remove you. Seek me while I am able to be found for a time is coming I will raise high the false teachers for all to see and break them before the people. Humble yourself now so that I will not hold you in shame before men.

MY pulpit is holy. Step NOT upon my altar, step not into position before the people, with an unprepared heart, with unprepared worship and unprepared prayer. I will clear my threshing floor of the chaff who has been a mere waste; remove yourself from the position you claim falsely as yours. My pulpit is holy. My words are holy. My teaching is holy. MY servants whom I recognize are holy. Remove the yoke of possessions. Remove the yoke of the world from your neck and be the one called from long ago.

I am a jealous God. Those who stand in my pulpit must love me first and must speak MY words and please me and not man. I will guide you. Seek me and I will protect you. Seek me and I will guide your steps. I am a Consuming Fire. I am a Holy God. I claim only holy people. I am coming with a swift hand to clean my pulpits. Repent now. You have stood in my holy pulpit with evil inside you. The great remnant was torn to the Holy of Holies so that man could enter inside. You have not kept it holy. Free yourself now before it is too late and I remove you publicly.

You have built stages in my Holy Church and restaurants and stores and you have allowed buying and selling. You parade people, speakers and events with tables for buying and selling inside my Holy Church. You lure them with worldly conveniences because you desire money instead of their hearts. You allow the young to ask for money, raise money and collect money inside my Holy Church. Is it not written that my son removed the money changers with a whip? You have allowed your youth to act like the world. You have built stages with lights and music to appear appealing as the world. Even your leaders talk and dress like the world. What harmony is there between Christ and Belial? Why do you make my Holy Church common for the unbeliever? I hold you accountable for allowing this inside my Holy Church.

Guard my pulpit. Remove earthly pleasures from my pulpit. Remove entertainment from my pulpit. My pulpit is not for pleasure. My pulpit is not for performance. My pulpit is not for announcements or discussions. My pulpit is holy. Approach my pulpit with a prepared heart, prepared worship and prepared prayer. Only then will I hear you and you will hear from me.

Remove man's conditions of my pulpit. Remove man's tradition of time, of comfort and of soothing the ear – make my pulpit a fire for the people to hear the word of your mighty God! I am coming soon to claim a holy people and a holy church and only those with true obedience to these words will withstand the heat I am sending. Listen to me and you will hear me. I am destroying the false church of man; it will not withstand my judgment. Prepare now! Prepare the people! Discard every tradition you have lived and place it in your fire. Listen ONLY to me and I will guide you.

Obey these instructions for your time is short. I will no longer accept weak-kneed messengers in my pulpits.
